Dear Ms. Rebecca Hough,

Thank you for your August 16th letter. I have refiled the July Quarterly Report to include FEC Form 3Z-1 as requested in your letter. However, in response to item 1, I could not find any errors in the Column B figures on the report and therefore I have not made any revisions at this time. Please let me know if there is further action needed.

Thank you,

Lindsay Angerholzer

Assistant Treasurer
